Mr. K.C Abdul Latheef, President, on behalf of the school management congratulated students and teachers for the excellent results and the parents for the continued support.

President and Principal along with Vice-principals, addressed the students of Senior Secondary section to share the happiness in the results and to inspire students to work hard to attain even better results in the coming years. President also stated that SIS stands for a very healthy competition among Indian Schools in Qatar and that is helping children to maximize their academic achievement. He appreciated the excellent team work of Section Heads, Heads of Departments, teachers and administrative staff that gives our children greater opportunities to excel in the unique ways that our school practices.

Principal
