Dear Parents

Greetings ...

Warm wishes for a new year...

We once again thank and appreciate you for your continuous support and valuable involvement in your wards' education.

With an objective to optimize the intellectual potential of our students and their performance in education during this hard time, the Ministry of Education and Higher Education has announced certain changes in the schedule of physical classes. - All the students of Class 9 to Class 12 are required to attend the physical classes at school in the afternoon session (Time: 12:30 pm to 04:00 pm). Class teacher will inform the days required to attend physically which is based on the academic planned programmes that include Pre-board theory examination, Pre-board practical examinations, Preparatory holidays etc.
- Students are also required to complete the online assignments in Google Classroom and turn in on time on a daily basis as per the schedule given by the respective teachers (during the time slot given by the teacher).
- Class Teachers will inform the classroom number, the time table and the gate for arrival and dispersal.
- Parents of privately transported students are requested to drop their wards before 12:15 pm and to collect them before 04:15 pm only from the allotted gates which will be informed by the teacher. Parents are requested to strictly adhere to follow the above timings to ensure safety and security of your wards.
