

**CIRCULAR FOR CLASSES KG2 TO 12**

Dear Parents,

Greetings !!!

Welcome back to school and warm wishes.

Kindly be informed that to adopt the blended education system of physical and remote teaching with rotation in attendance in a closed bubble system, we have planned the schedule of physical classes and remote classes to facilitate and optimise the facilities with effect from 24/08/2021.

The precautionary measures will remain in force to ensure safety based on Covid-19 protocol.

- The students are allocated in bubble groups to attend physical classes at school on a rotational basis. (Timings: 07:00 am to 11:00 am).
- The Respective class teachers will share with you the detailed Academic programme.
- **The school transport facilities will not be available.** Parents are requested to drop their wards before 06:45 am to school and to collect them before 11:15 am from school. Use only the allotted gates which will be informed by the teacher. Parents are requested to strictly adhere to follow the timings to ensure safety and security of children. **Entrance into the campus is not allowed after 07:00 am.**
- In the event of identifying any case of Covid-19 at school, we are committed to follow the instructions from the competent authorities and to take necessary actions accordingly.
- Attendance in the physical classes is mandatory for all the students. Leave of absence for students who are affected with chronic diseases will be granted based on valid medical certificates.

SIS is concerned about the health and safety of our Students, Teachers, and Staff. Hence, we urge our parents to firmly adhere to the instructions which have been prepared in accordance with the regulations from the competent authorities. Change in the allotment of physical class days cannot be entertained.

We highly appreciate your exceptional understanding, support, and efforts, especially during this pandemic period, for SIS to provide distinctively excellent education to our students.
