Circular No. : SIS-Cir./15/2022-2023

Date: 03.09.2022

CIRCULAR TO PARENTS – CLASS X

Dear Parents,

Warm Greetings!!!

In continuation with our efforts to help our students to excel and flourish academically we have scheduled afternoon classes for Grade X based on your concrete suggestions received during the Parents' Meeting. The sessions are scheduled two days per week (Sunday and Monday) for all students to intensify the preparation of learning and to improve the presentation of responses to the various patterns of questions. In addition to this, separate Academic Support Programs (ASP) are also scheduled for two days (Tuesday and Wednesday) for students who need individual guidance and learning support.

The schedule of the afternoon session will be uploaded in the respective Google Classrooms and will also be conveyed to the parents by the class teachers. We have arranged school transport facility after the special classes for students who have availed school transportation to ensure security of our students.

Private transport using students have to be picked up at 4.15 pm from the Gate No. 1 .Parents are hereby informed that all staff will be leaving the school campus at 4.15pm and no student can remain inside the campus after 4.15pm for safety and security reasons. Parents can contact our school office to avail the school transport if required.

We thank for your sincere support and generous cooperation and request for the same in future too.

Thanking you.

Dr. Salil Hassan
Vice Principal (Senior Section).
