

# SHANTINIKETAN INDIAN SCHOOL, DOHA-QATAR

Circular No. : SIS-Cir./18/2022-2023

Date: 19.09.2022

## CIRCULAR TO PARENTS

Dear Parent,

Greetings..

We thank you very much for your kind cooperation in all the school endeavors to achieve the student success and in shaping their bright future.

In order to ensure student safety, we would request you to comply with the following important safety aspects.

- Encourage your ward to follow the practice of 'early to bed, early to rise' sleep habits
- Stay connected with the school and acknowledge all the communications from the school through email/Portal/WhatsApp.
- Your availability at the pickup point and drop off point ensures our children's safety.
- Advise your wards to follow all the safety guidelines if opting private/Public transport systems. Restrict them to use any other mode of transport without your consent and approval.
- Discourage the school transported students using other mode of transport. In any unavoidable situation, please ensure an advance information to the respective bus conductor/ driver or the transport department (through mobile # 50335883).
- Your punctuality in picking your wards who do not avail school transport will ensure smooth and safe dispersal process. Please avoid late drop off and late pick up.
- Please pick and drop your wards only from the designated safe places. Avoid parking at the roads, pathways, round about or opposite side of the school.
- Make sure that your wards leave the campus only for travelling back home.
- Students having stay back are required to bring nutritious lunch from home.
- Students should board and alight in an ordered disciplined manner while using public transport especially bus/metro link services.

Every staff member at SIS is committed to safety and security of each child. Proactive and collaborative steps are taken to follow a structured system to ensure building safety, Transport safety and fire safety.

Your feedback is very important to improve our standards further. Please collaborate us and put forward your valuable inputs and suggestions.

Thanks and Warm Regards

Administrator
