CIRCULAR TO PARENTS - CLASSES I to XII

Dear Parent,

Shantiniketan Indian School conveys our best regards and greetings to you all!!!

We are very much pleased to inform you of our move to increase the stock of our school library by the start of the new academic year. After the innovative drive D.E.A.R Project (Drop Everything And Read) initiated in this academic year, we see more students visit our library on a daily basis and enjoy reading books comfortably on beanbags. We allotted library periods for the Middle Section students too.

To boost up the process of reading and to give a variety of experience to the new generation, we are determined to upscale the stock in the school library in another two -three months. Kindly support us with your suggestions and feedback. We will appreciate your remarks.

Let us pave a better way of reading that moulds the dreams and imaginations of the new citizens.

Looking forward to your suggestions.
