CIRCULAR TO PARENTS - CLASSES V & VIII

Dear Parent,

Shantiniketan Indian School conveys our best regards and greetings to you all!!!

As per the National Education Policy's [NEP 2020] assessment practices CBSE has launched **Structured Assessment for Analysing Learning [SAFAL]** a competency-based assessment for Grades 5 & 8. These exams aim to identify the students' competency & skill levels and to guide and support them in the right direction of learning.

This skill-based assessment will be conducted online from the 16th of January 2023 to the 1st of February 2023 in batches, in our computer lab. The children will be attending the assessment in English, Mathematics and Science. You will be intimated about your ward's batch number, subject and the date of examination.

We appreciate you for the cooperation and support in guiding your ward in doing the practice worksheets prepared and posted by the teachers as per the learning standards and learning outcome in the Google classrooms. The competency-based questions in SAFAL will be from the portions meant for the particular class.

Thank You.

Warm Regards,

Principal
