## **CBSE SECONDARY SCHOOL EXAMINATION DATE SHEET- 2022-2023**

Dear Parent,

We are on the threshold of CBSE Board Exams 2022-2023 as date sheets are published much in advance so that students can prepare well for their examinations. Sufficient gap has been given in between two subjects and competitive examinations including JEE Main have been taken care in the date sheets.

We wish a very all the best to all our children appearing for the Board Examinations and know that we are so proud of you all. We also request extensive support from parents in preparing and bringing the best out of our children. Know that schooling is not only about Board Exams and an exam result doesn't define your children's future.

***Best of luck & God bless you..!!!***
