CIRCULAR TO PARENTS - CLASSES VI-VIII

Dear Parents,

Warm Greetings!!!

Shantiniketan Indian School has really been honoured to be one of the CBSE Examination Centres in Qatar this year too for two schools in Qatar. As a huge no. of students turn up on **Monday, 27th February 2023** for the exam, Grades 6 & 7 classes will have their classes online on that day to spare more class rooms as exam halls. The time table for the online classes will be shared by the respective class teachers.

Grade VIII will have their Field Trip on that day. Only those who have registered need to come to school.

Expecting your cooperation and support.
