CIRCULAR TO PARENTS - CLASSES KG I to XII

TUITION FEE REVISION APPROVED BY MOE&HE

Dear Parent,

Greetings from **Shantiniketan Indian School..!!**

As you know, our School has been marching ahead with innovative programs in all activities maintaining quality and decency. After a careful consideration and a thorough review of our operational costs, we have determined that it is necessary to implement a fee increase to ensure the continued delivery of high-quality education and the maintenance of our school's infrastructure. Even though there were certain occasions when the School faced tough times over the last five years, the School did not increase the fee structure.

Please note that there is an increase in the fee structure for the academic year 2024-2025, as approved by the Ministry of Education and Higher Education. (Revised fee structure is enclosed with this circular)

This decision has not been made lightly, and we understand the impact it may have on our families. However, it is essential to support the growth and development of our students and to keep up with rising costs.

Thank you for your continued support and understanding. We remain dedicated to providing the best possible education for your children and appreciate your partnership in achieving this goal.
