SHANTINIKETAN INDIAN SCHOOL, DOHA-QATAR

Circular No.: **SIS-Cir./19/2025-2026** Date: **03.06.2025**

CIRCULAR TO PARENT- CLASSES VI to XII

(FORENOON & AFTERNOON)

Dear Parents,

Greetings from the School!

We would like to begin by sincerely **thanking all the parents who have shown enthusiasm and registered their children** for the upcoming **International Trip to Malaysia**. Your trust and interest in giving your children an enriching global experience is truly appreciated.

However, over the past few days, we have received **several requests from parents to postpone the trip** due to various unavoidable reasons. Some parents have shared that they had already made travel commitments during the earlier dates, while others cited concerns regarding the **passport validity** of their children that still need to be renewed in time. Additionally, a few families have requested more time for personal planning and preparation.

Considering all these genuine and collective concerns, and in order to ensure **maximum participation and convenience for all**, we have decided to **reschedule the trip to October 25th to 29th, 2025**.

We assure you that the school will continue to **coordinate the trip in the most professional and organized manner**. The **itinerary, destinations, and planned activities will remain unchanged**, and every effort will be taken to make the trip **fun-loving, educational, and memorable** for our students.

We truly value your continued support and understanding, and we look forward to an exciting international experience together in October.

Regards,

Vice Principal
