CIRCULAR TO PARENTS- CLASSES X & XII

Dear Parents,

Greetings of the day!

As part of our ongoing efforts to provide focused learning and support to our students preparing for board exams, we are introducing additional afternoon classes for **Grade 10** and **Grade 12** students from Wednesday, 10th December 2025 onwards.

Key Points:

1. **Focused Learning for Board Exam Preparation:**
   These additional classes are specifically designed to focus on board exam preparation. Each student will receive personalized attention, with a structured plan to address their individual needs. The aim is to ensure that all students are thoroughly prepared for their exams and have the opportunity to revise key concepts.

2. **Group-wise Attendance:**
   Not all students will be called to attend the afternoon sessions every day. Students will be divided into smaller groups, and the student list will be shared in advance. Only the selected students for that particular day will be required to attend the classes.

3. **One Subject per Day:**
   Each day, only one subject will be focused on for the students attending that session. This will ensure in-depth learning of the specific subject, with a clear focus on the areas most critical for the upcoming board exams.

4. **Why This Approach:**
   Our primary goal is to provide targeted support to each student. By focusing on individual subjects and addressing the needs of smaller groups, we aim to ensure that every student is given the best opportunity to succeed in their board exams.

5. **Timings:** 1:45 p.m. to 4:30 p.m.
6. **School transport** will be available for students who are registered with the school transport service. Those Students who are **not using school transport, parents are requested to** pick their ward by **4:35 p.m.** or make appropriate arrangements for their commute.

We will be sharing the detailed schedule and the list of students who are expected to attend on specific days. Your cooperation and support in encouraging your child to attend these sessions is highly appreciated.

Attendance Requirement:

Please note that students are required to attend all **regular classes** on scheduled school days. Maintaining the **minimum attendance percentage** mandated for appearing in the board exams is essential.

We kindly request parents to ensure their ward's **regular and consistent attendance** on all instructional and examination days.

Warm regards
Vice Principal
