Tdap and HPV Vaccination Campaign

Dear Parents,

The Ministry of Public Health (MoPH) has organized the Tdap and HPV Vaccination Campaign for the academic year 2025–2026. As part of this national health initiative, students of our school will be participating according to the following schedule:

Grade 9 and Grade 10: **Tdap vaccination**

Grade 8: HPV vaccination – First dose will be administered this year. The second dose will be given during the subsequent school vaccination campaign next year.

A hard copy of the consent form will be sent home with your child.

We kindly request you to:

- Fill in all required details and sign on the consent form.
- Indicate clearly whether you agree or disagree with your child receiving the vaccination.
- If your child has already received the vaccine previously, please mark this on the form.
- If you disagree, kindly specify the reason in the space provided.
- Please return the completed form to the school through your child at the earliest.

Vaccination Campaign Guidelines are available in the below Google drive link for your reference. Please read them carefully before completing the consent form.

The vaccination campaign is expected to take place after January 12, 2026. The exact date, time, and additional instructions will be communicated to you as soon as they are confirmed.

Your cooperation is highly appreciated. We kindly request all parents to support this important health initiative so that we can ensure maximum participation of students in our school.

Warm regards
School Health Nurse
