## CIRCULAR TO PARENTS- (FORENOON & AFTERNOON)

## *BLOOD DONATION CAMP*

Dear Parents,

Greetings of the Day!

In **celebration of Qatar National Day**, **Shantiniketan Indian School**, in association with **Hamad Medical Corporation (HMC)**, is proudly organizing a **Blood Donation Camp** on **Tuesday, 16th December 2025**, from **09:30 A.M. to 03:30 P.M**. This initiative is a wonderful opportunity for our community to come together and contribute to this noble cause.

We invite all parents to participate and help make a significant difference in supporting Qatar's national blood reserves. Your contribution will not only assist those in need but also reflect the spirit of unity and generosity that defines Qatar National Day.

**Benefits of Donating Blood:**

- **Promotes Healthy Iron Levels:** Donating blood helps to maintain healthy iron levels in the body, which can reduce the risk of iron overload and associated health issues.
- **Improves Heart Health:** Regular blood donation can lower the risk of heart disease by reducing the iron levels, which may prevent the buildup of harmful deposits in the heart.
- **Stimulates New Blood Production:** Blood donation stimulates the production of new red blood cells, which helps keep the body healthy.
- **Boosts Emotional Well-Being:** Knowing that your donation can save lives leads to a sense of accomplishment and emotional satisfaction.

**How to Register:**

Interested individuals can register through the link below:
