CIRCULAR TO PARENTS- (FORENOON & AFTERNOON)

WINTER WORKSHOP 2025

Dear Parents,

Greetings of the Day!

We are excited to announce the Winter Workshop 2025, organized in association with STEM Park, designed to engage students in exciting and hands-on activities that will shape their understanding of future technologies. The workshop will be held from **December 21, 2025, to January 1, 2026**, at Shantiniketan Indian School, Qatar, from **8:00 AM to 2:00 PM** each day.

This workshop offers a unique opportunity for students to explore coding, robotics, artificial intelligence, 3D printing, and more, guided by expert facilitators from Qatar University. It's a great chance for students to engage with trending global technologies, enhancing their skills in a fun and interactive environment.

Key Features:

- **Introduction to Future Technologies**
- **STEM ice-breakers and Team-building challenges**
- **Hands-on experience in Robotics, Coding, Mechatronics, 3D Printing, Data Analysis, AI, and Microcontrollers**
- **Students will receive a certificate and a basic Arduino kit (worth 50 QAR) upon completion**
- **Take-home projects,** including their mobile apps and 3D-printed creations
- **Course Includes:** Certificate, STEM Park notepads, badges, and access to exclusive tools like Canva-Pro, Grammarly, Skill Share, and more.

The Winter Workshop is designed for two age groups:

- **Group A:** 5–9 years
- **Group B:** 10–14 years

Additional Benefits:

- **Free CAD Software and access to design tools**
- **Fun takeaway kits**
- **Grammarly, Canva-Pro, and more for 3 months**
- **Exclusive sessions on the responsible use of AI and real-world engineering exposure**

We encourage you to review the detailed brochure for more information on the workshop's activities and benefits. **Please register your child soon** to secure a spot, as spaces are limited.

How to Register:

Interested individuals can register through the link below:

https://forms.gle/PCCvWTVDBmMwPGPj7
