Dear Parents,

Greetings from SIS!

This is to inform you that the Middle Section Educational Trip is scheduled on **Monday, 2nd February 2026** to **Katara Cultural Village**. As part of this educational visit, students will be visiting the museums at Katara to learn about the history and culture of Qatar.

Objectives of the Trip:

1. To enhance students' understanding of Qatar's cultural heritage and historical background through direct exposure.
2. To encourage observational learning and develop research and reporting skills through assigned tasks based on the visit.

On the day of the trip, the school will follow **normal school timings**. Students must report to school at the usual time, and dispersal will also be as per the regular schedule. Transportation will be arranged by the school, and students will be accompanied by teachers.

Students are requested to carry their own food and sufficient drinking water. We strongly advise bringing homemade food only. The use of plastic packets and disposable (use-and-throw) water bottles is strictly not permitted.

Students must come in **full grey uniform with their ID cards**. **Mobile phones are strictly prohibited during the visit.**

During the visit, each student will be assigned a task related to the trip, which they are required to complete.

The Parent Consent Form will be distributed to students through their respective class teachers and must be filled in and submitted on or before **27-01-2026.**

If your child is taking any medication, kindly inform the class teacher in advance.

This trip is mandatory for all students.
