CIRCULAR TO PARENTS – CLASSES IX & XI

BOOKS DONATION DRIVE

Dear Parents,

Greetings from SIS!

As we are in the process of planning the procurement of textbooks for the next academic year, we would like to inform you that, as per communication received from CBSE, the revised textbooks for Grades 9 and 11 for the upcoming academic year will be available only by the month of June.

In order to ensure continuity of learning for our students at the beginning of the next academic year, the school proposes a Book Donation Drive. We kindly request the current Grade 9 and Grade 11 students to donate their textbooks after the completion of their examinations, so that the next batch of students can utilize them until the new books are issued.

Donation boxes will be placed near the lift area on the First Floor. Students who wish to contribute may drop their books in the designated boxes once their respective examinations are over.
As the Mathematics examination is scheduled for tomorrow, students who are interested may begin by donating their Mathematics textbook after the exam. Similarly, other subject textbooks may be donated as and when the examinations conclude.

This small gesture of yours can make a big difference in supporting the academic journey of our future students and reflects the spirit of sharing and responsibility.

We look forward to your wholehearted participation in this meaningful initiative.

Thank you for your continued support and cooperation.

Regards

Principal
