## CIRCULAR TO PARENTS- GRADES I to XII (FN)

## *PARENT TEACHER MEETING*

**Dear Parents,**

We cordially invite you to attend the upcoming **Parent Teacher Meeting (PTM) on Saturday, 17th October 2026, at the SIS Campus.**

The PTM provides an important opportunity for parents and teachers to discuss students' academic progress, classroom behaviour, strengths, areas for improvement, and overall development. Your active participation will strengthen the partnership between home and school and support every child's holistic growth.

**Timing: 08:00 A.M. to 01:00 P.M.**

To ensure a smooth and productive meeting, parents will be allotted specific time slots by the respective class teachers. The schedule, including the timings for meeting subject teachers, will be communicated in advance. Kindly adhere to the allotted timings to avoid congestion and facilitate meaningful interactions.

**Special Student-Led PTM Experience – Grades IX to XII**

**"Your Journey, Your Voice"**

For students of Grades IX to XII, the PTM will feature a special **student-led interaction**. Students will take the lead in presenting their learning journey to their parents and teachers through a brief, ten minutes presentation covering:

1. **Strengths and Performance:** Recent assessment results and areas of achievement.
2. **Challenges and Learning Gaps:** Areas requiring improvement and strategies to overcome them.
3. **Study Plan:** Study habits, learning strategies, and daily study hours.
4. **Support Required:** The support needed from parents and teachers to achieve academic goals.

This student-led interaction will encourage students to take ownership of their learning, reflect on their progress, and develop responsibility for their academic growth.

**Please note:** The student-led interaction is in addition to the regular parent teacher meeting. Parents of students in Grades IX to XII will also have the opportunity to meet the class teachers and subject teachers to discuss their child's progress and receive guidance. The respective class teachers will communicate the detailed schedule and allotted timings in advance.

We look forward to your valuable participation and continued cooperation in nurturing our students' academic excellence and overall development.

**Warm regards**
**Vice Principal**
