Circular No.: **SIS-Cir./FN&AN-62/2026-2027** Date: **11.10.2026**

CIRCULAR TO PARENTS – KG I to GRADE XII (FN & AN)

Dear Parents,

This is to bring to your attention an important notification from the MOE&HE **(Circular No.4/S/L.No.330/2025) dated 02.03.2025 prohibiting the use of mobile phone inside the school campus. If students' mobile phones are confiscated, they will be returned at the end of the academic year.**

As you are aware, the use of mobile phones can significantly distract from the learning environment and adversely affect the behavioral aspects of our students.

In order to maintain a conducive learning environment, we prohibit the carrying or use of mobile phones inside the school campus. This policy is enforced as per the notification from MOE&HE to minimize distractions, promote student engagement, and ensure that our students can focus on their academic pursuits without interruptions.

Social Media Monitoring:

We advise you to monitor your child's social media activities and ensure that they are not engaging in any behavior that could bring harm to themselves or others.

Please be aware that any activities that affect the reputation of the institution or are against Qatari Law will be dealt with stringent actions. We appreciate your cooperation and support in ensuring that our students adhere to this policy.

We request that you support us in enforcing this policy by:

- Ensuring that your child understands the importance of adhering to this policy.
- Monitoring your child's mobile phone usage and social media activities.
- Encouraging your child to report any incidents of mobile phone misuse or social media concerns to the school authorities.

We believe that by working together, we can create a safe and supportive learning environment for all our students.

Thank you for your cooperation and support.

Best regards,

Principal
